

Attending social events during Congress

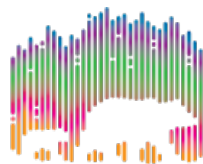

At Congress, you can enjoy the full suite of social events that you know and look forward to every year: from coffee break chats and networking events, to book launches, yoga sessions and bring-your-own wine and cheese events! These events will take place in your association’s unique networking lounge or one of the open networking lounges, which are accessible by all Congress attendees.

You can access all the open lounges from the Congress lobby! Hover over “**Open lounges / Salons ouverts**” and a dropdown menu will appear with all the open lounges.

You can access your association’s networking lounge from their Greeting Table and clicking on the indicated link.

What is a networking lounge?

Networking lounges are intended for informal gatherings and conversations. In every lounge, you'll be able to chat by text (one-on-one or group) with fellow attendees. Some lounges may also include a Zoom video (group video chat) option to see everyone face to face. Networking lounges with the video option will be indicated as such, and can be accessed at your liking throughout the duration of Congress. Networking lounges will also include info boxes with resources of interest including program highlights, upcoming social events, wellness tips, and more!

WELCOME/BIENVENUE

Explore Edmonton Lounge / Salon

We're a craft beer, vintage store, secret-underground-bar, kind of city.

Why is Edmonton different? There are theories. Maybe it's our northern home, where for years we've learned to make our own fun. Perhaps it's our legacy of entrepreneurs dreaming up oddities: deep freezer races, winter patios and surfing indoors. Perhaps it's the foundation of natural beauty, from which we've built something great. Take your taste buds on a journey to some of the hottest craft beer taprooms and hyper-local bistros, experience the glory of the northern lights from our dark sky preserves, or cruise through North America's largest stretch of urban parkland. There's a uniqueness to how Edmontonians do ordinary things, and we welcome you to be a part of it.

Edmonton Will Be Here

We're proud to call this city home. We are still here, rallying behind our brave entrepreneurs, supporting our local restaurants, and booking rain checks to attend festivals that will live to fight another day. You can't keep a good city down for long, and we will continue to lift each
